WELCOME MESSAGE

Dear Colleagues,

It is our privilege and honour to extend a cordial invitation and warm welcome to all of you in the medical fraternity to attend "12th Annual-Endo-Diacon 2025" Scheduled to be held on 8th-9th February 2025, at Hotel Shourya Garh Resort & Spa, Udaipur.

As You are aware Endocrine Disorders like Thyroid disorders, Diabetes Mellitus, Obesity, Metabolic bone disease and Hormone related sexual dysfunctions are common in clinical practice which mandates a proper approach. At the same time pituitary, adrenal and other hormone related disorders are sometimes diagnosed very late in the clinical course. So, timely diagnosis and proper treatment is mandatory to save lives and prevent morbidity.

In these scientific sessions learned faculty from across the country will translate recent advances in scientific research to guide better patient care.

Looking forward for your esteemed presence to this scientific feast.

Udaipur Attractions

Udaipur is known as one of the most enchanting and colorful cities in India. Surrounded by the Aravali Mountains, it is a city of tranquil lakes, sprawling gardens, majestic forts, beautiful palaces, and intricately carved temples. In 1559 A.D. Maharana Udai Singh Ji moved the capital of Mewar from the ancient city of Chittorgarh and founded the city of his dreams, Udaipur. Indulge in the beauty of the City of Lakes while attending the summit.
